## **What do you believe?**

Often people want to know what our faith beliefs are. That's a good thing! Below is the important stuff we hold as truth.

## **Kickrickulum Statement of Faith**

### **The Scriptures Inspired**

The Bible is the inspired Word of God, the product of holy men of old who spoke and wrote as they were directed by the Holy Spirit. We accept the scriptures as our infallible guide in matters pertaining to conduct and doctrine.

### **The One True God**

The one, true God is expressed in three separate persons: The Father, the Son and the Holy Spirit. They are eternally self-existent, self-revealed and function as one person. Jesus Christ, who is God manifested in human flesh, is equal and eternal with the Father and the Holy Spirit.

### **Man**

Man was created in God's image but voluntarily rebelled and transgressed the will of God. Consequently, people today are sinners in need of a Savior. Their only hope is redemption through Jesus Christ. Man was created in God's image but voluntarily rebelled and transgressed the will of God. Consequently, people today are sinners in need of a Savior. Their only hope is redemption through Jesus Christ. Man has a free will to choose to serve God or the world (devil).

## **Salvation**

The Lord Jesus Christ provides salvation to all who will receive Him through His death on the cross, burial and bodily resurrection. By faith in His shed blood, apart from human works, we accept His work as complete and sufficient for forgiveness, righteousness and eternal reward.

## **The Holy Spirit**

All believers should expect the presence and habitation of the Holy Spirit. The Holy Spirit aids us in prayer, empowers our witness and daily living, produces fruit in our character, guide our lives, and bestow gifts to build up the church.

## **The Church**

The church is the body of Christ, the habitation of God through the Spirit, with divine appointments to fulfill the great commission. Each born-again believer is a part of the church which is written in Heaven.
